FILE WRAPPER CONTINUING APPLICATION (FWC) (37 CFR 1.62)

WARNING: This form cannot be used where the parent case may not be abandoned since the filing of a request under the FWC procedure "will be considered to be a request to expressly abandon the prior application as of the filing date granted to the continuing application." 37 CFR 1.62(g).

WARNING: This procedure can only be used for a pending application prior to payment of the issue fee. 37 CFR 1.62(a).

WARNING: The filing of an application as the United States stage of an international application requires an oath or declaration. 37 CFR 1.61(a)(4).

WARNING: The claims of this new application may be finally rejected in the first Office action where all claims of the new application are drawn to the same invention claimed in the earlier application and would have been properly finally rejected on the grounds or art of record in the next Office action if they had been entered in the earlier application. MPEP § 706.07(b).

WARNING: A continuation-in-part application under 37 CFR 1.62 is filed by making changes by amendment to the prior application, 37 CFR 1.62(a), and not by filing a new application.

WARNING: Filing under 37 CFR 1.62 is permitted only if filed by the same or less than all the inventors named in the prior application.
